

Moscow Chamber of Commerce

Issue Endorsement Request Form

The Chamber would like to thank you for your interest in a formal endorsement from our organization. As we are a member-driven and member-focused organization, we are interested in engaging in policy and issues that directly affect our business community and members. We require a completed application to be considered, and as we are a non-partisan organization, we do not endorse candidates. We ask that those seeking endorsement have a Chamber member sponsor if not already a member of the Chamber.

This form is used to collect information that will assist the Moscow Chamber of Commerce and its Government Affairs Committee in making a decision on support of a requested issue. The use of supporting documents is encouraged as long as they are clear, concise, and relevant.

Please save your completed form, and attach and send by email to director@moscowchamber.com

We will do our best to provide you with feedback by or prior to the date disclosed on this request form.

The Board of Directors traditionally meet the third Wednesday of each month, and the Government Affairs Committee traditionally meets the second Wednesday of each month.
